SPECIAL SALE INSPECTION RIDER

Note: This rider should be used when a Special Sale Contract is used, but Buyer retains the right to inspection(s). Language in any seller addendum may supersede language found in this Rider and in the Special Sale Contract.

SALE CONTRACT DATE: _____

PROPERTY: _____

BY AND BETWEEN: _____, Buyer(s) and the undersigned Seller(s).

Seller will arrange, at seller's expense for the following utilities to be turned on during the inspection period (as defined below):

_____, _____ and _____(none, if left blank).

Seller grants Buyer and Buyer's Broker the right to have all other utilities turned on or transferred, at Buyer's expense, to facilitate the inspection(s).

Within _____ days (10 days if none stated) after the "Acceptance Deadline" date (the "Inspection Period"), Buyer may purchase one or more written home inspection report(s) from any independent qualified inspector(s) of the Property and improvements as deemed necessary by Buyer, including, but not limited to, environmental hazards; termite and wood-destroying insect infestation and damage; plumbing, including water, well, sewer, septic and waste-water treatment systems; roof and other structural improvements; heating and air conditioning systems and equipment; electrical systems and equipment; swimming pools and equipment; chimneys, flues and gas lines/fuel runs; basement leaks and exterior drainage; and mechanical equipment, including appliances. **Discovery of an unsafe condition(s) may result in immediate shut off of one or more appliances or utilities.** Buyer's Inspection Period will end upon the delivery of the Inspection Notice described below or the time period stated above, whichever occurs first. Failure by Buyer to purchase and perform an inspection within the time period stated above shall constitute a waiver and acceptance of any conditions an inspection would have disclosed. **Buyer should contact law enforcement officials for information pertaining to whether registered sex offenders or other convicted criminals reside in the area.**

Within the Inspection Period, Buyer shall furnish a written Inspection Notice to Seller or Listing Broker stating one of the following:

(1) Buyer is satisfied with the inspections. Delivery of inspection reports to Seller or Listing Broker is not required. If Seller or Listing Broker has not received the written Inspection Notice by the end of the Inspection Period, Buyer shall be deemed to be satisfied with the results of any inspections.

(2) Buyer is terminating the contract, with earnest money to be returned to Buyer, subject to paragraph 12. In this case, Buyer shall have purchased one or more home inspection report(s) from an independent qualified inspector(s), as provided for above, which together cover the substantial structural elements and systems of the Property. Buyer shall provide such report(s) to Seller or Listing Broker, if requested by Seller.

(3) Buyer is willing to close upon satisfaction of the requirements set forth in the Inspection Notice which must be accompanied by a complete copy of the written inspection report(s), purchased by Buyer. The parties have a total of _____ days (10 days if none stated) after date of Seller or Listing Broker's receipt of the Inspection Notice (the "Resolution Period") to reach a written agreement as to the requirements set forth in the Inspection Notice, or as to an agreed upon monetary adjustment, or the contract is terminated, and earnest money deposit to be returned to Buyer, subject to paragraph 12. During the Resolution Period, either a written commitment by Seller to meet the requirements originally submitted by Buyer in the Inspection Notice, or a written commitment by Buyer to accept the Property without such requirements, shall constitute an "agreement" for purposes of this paragraph even after earlier negotiation failed to produce an agreement.

Buyer acknowledges: 1) that Listing Broker and Buyer's Broker do not have expertise in determining any defects that may be disclosed by any inspections; 2) that Buyer will not rely upon Listing Broker or Buyer's Broker in any way as to the selection of a particular company for any inspections, warranties, and services; 3) that any inspections, warranties, and services may be available from more than one company and that the determination to select a particular company and the completeness and satisfaction of any said inspection, warranty or service is the sole responsibility of Buyer; 4) that when choosing an inspector, warranty, service company, title company, lender, repair company, or any other service provider, Buyer should consider, but not be limited by, the existence of errors and omissions insurance, liability insurance, business and professional licensure, membership in professional associations and years of experience; 5) that there have been no warranties, express or implied, by Seller or real estate brokers.

Seller grants Buyer, Buyer's Broker, and any inspector whose report prompted a request for repairs, the right to enter and walk-through the Property, and the right to have the utilities transferred to Buyer, within four (4) days prior to Closing. The purpose of the walk-through is only for the Buyer to confirm that the Property is in the same condition, ordinary wear and tear excepted, as it was on the date of this contract, and that repairs are completed in workmanlike manner.
